

Grant application form

The Medway Towns Soroptimist Trust is an independent registered charity, number 1175474, which was established in October 2017 with funds from Soroptimist International Medway Towns.

Please read our grant application guidelines to learn about Soroptimists and their work, and the application process.

The work of Soroptimists worldwide is linked to the UN Sustainable Development Goals, whether it is local, national or international. We have chosen to be guided in particular by three of these goals:

GOAL 3 Good health and well-being - ensure healthy lives and promote well-being for all at all ages

GOAL 6 Clean water and sanitation - ensure availability and sustainable management of water and sanitation for all

GOAL 16 Peace, justice and institutions - promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels

All the issues we are most passionate about fall within these goals. such as modern-day trafficking in Medway, domestic abuse, clean water and sanitation in less-fortunate countries, the human rights of women and children.

The Medway Towns Soroptimist Trust occasionally makes very modest donations to projects which fit within the goals. To make an application, please complete this form and return it by email to the Trust chairman at the address below.

In the first instance, it is acceptable to email the form without signature. If you are offered a grant, a signed version will be required.

Please email the completed form to **medwaytst@gmail.com**
